Statement of intent

Altrincham CE Primary School believes that a consistent school uniform policy is vital for:

- Promoting the ethos of a school.
- Providing a sense of belonging and identity.
- Setting an appropriate tone for education.

For the purposes of this policy, “**uniform**” includes the following elements of pupils’ appearance:

- Clothing, including the school uniform itself, variations of the school uniform such as PE kits, and other clothing worn at school, e.g. non-uniform.
- Hairstyles and headwear.
- Jewellery and other accessories.
- Cosmetics such as makeup and nail polish.

This policy lays out the measures the school has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all pupils, is affordable, and provides the best value for money for both the school and pupils’ families.

We believe that pupils learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in a way that sets an appropriate tone for education.

In writing and updating this policy, we have sought to:

- Consider how this policy might affect groups represented in the school, especially those who share protected characteristics as defined by the Equality Act 2010.
- Consider how comfortable the uniform will be for pupils.
- Take a sensible approach to allow for exceptions to be made, e.g. during adverse weather.
- Ensure that the uniform is suitable and safe for pupils who walk or cycle to school.
- Choose a PE kit which is practical, comfortable, appropriate to the activity involved and affordable.
- Ensure the policy is easy to access and understand.

1. Legal framework

This policy has been developed with due regard to the DfE's statutory guidance on the cost of school uniforms (April 2021) and due regard to all relevant legislation and guidance including, but not limited to, the following:

- Human Rights Act 1998
- Education and Inspections Act 2006
- Equality Act 2010
- Education Act 2011
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- Education (Guidance about Costs of School Uniforms) Act 2021
- DfE (2021) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2024) 'School uniforms: guidance for schools'
- Equality and Human Rights Commission (2022) 'Preventing hair discrimination in schools'

This policy operates in conjunction with the following school policies:

- Complaints Procedures Policy
- Behaviour Policy
- Pupil Equality, Equity, Diversity and Inclusion Policy

2. Roles and responsibilities

The Governing Body is responsible for:

- Establishing, in consultation with the Head Teacher and school community, a practical and smart school uniform that accurately reflects the school's vision and values.
- Ensuring that the school's uniform is accessible, inclusive, and does not disadvantage any pupil because of their protected characteristics or socio-economic status.
- Listening to the opinions and wishes of parents, pupils and the wider school community regarding changes to the school's uniform.
- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating in this policy how best value for money has been achieved.
- Ensuring compliance with the DfE's '[Cost of school uniforms](#)' guidance.

The Head Teacher is responsible for:

- Enforcing the school's uniform rules on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a pupil is in breach of the policy.
- Listening to the opinions and wishes of the school community in regard to the school's uniform and making appropriate recommendations to the Governing Body.

Staff are responsible for:

- Ensuring that pupils dress in accordance with this policy at all times.
- Where appropriate liaising with parents and carers about why their child is not wearing correct school uniform.
- Ensuring that pupils understand why having a consistent and practical school uniform is important, e.g. school identity.

Parents are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.
- Informing the Head Teacher if their child requires an exemption to the uniform rules for a period of time, with a reason why.
- Ensuring that their child's uniform is clean, presentable and the correct size.

Pupils are responsible for:

- Wearing the correct uniform at all times, unless the Head Teacher has granted an exemption.
- Looking after their uniform as appropriate.
- Understanding and respecting why a school uniform is important to the school, e.g. school identity and community.

3. Cost principles

The school will develop its uniform policy in relation to the following starting principles:

- The school will seek to ensure that the uniform is affordable. In so doing, the school will consider the total cost of school uniforms, taking into account all items of uniform or clothing parents will need to provide while their child is at the school.
- The school will seek to keep the use of branded items to a minimum.
- The school will seek to ensure that uniform supplier arrangements give the highest priority to cost and value for money, including the quality and durability of the garment.
- The school will seek to ensure that second-hand uniforms are available for parents to acquire. Information on second-hand uniforms will be published on the school's website.

Principles in practice

In accordance with the 'School Admissions Code', the Head Teacher will ensure that the school's uniform requirements do not discourage parents from applying for a place for their child.

The school will assess the overall cost implications of its uniform policy regularly, including prior to making any changes to the school uniform. When evaluating whether costs are reasonable and proportionate, the school will take into account the situations of:

- Economically disadvantaged parents.
- Parents with multiple children who are, or will be in the future, pupils at the school.
- Parents of younger children, as they are likely to grow quickly and require new sets of uniform more frequently.

- Parents of pupils with protected characteristics that may impact their ability to access the uniform.
- LAC and PLAC.

The school will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a pupil, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents will need to purchase multiples of certain items, e.g. shirts and socks, to ensure their child can come to school in clean uniform every day.

The school will keep variations in school uniform for different groups of pupils, e.g. year group-specific items or house colours, to a minimum to ensure that pupils can get the most wear out of their uniform and that parents can pass some items down to younger siblings.

The school will keep branded uniform items to a minimal level that is reasonable for all members of the school community. The school defines a branded uniform item as any item of clothing that cannot be purchased at a range of retailers, e.g. supermarkets, due to the item's logo, colour, design, fabric or other unique element. Where the school requires an item of branded clothing, it will assess how prices can be kept as low as possible and put measures in place to facilitate this. This may include:

- Offering sew- or iron-on logo patches for jumpers that can be bought at non-specialist retailers, instead of requiring specific branded jumpers.
- Ensuring branded items are longer-lasting and unlikely to be worn out quickly, e.g. ties.
- Making donated second-hand uniform available for purchase at a lower price.

The school will meet the DfE's requirements and recommendations on costs and value for money. Care will be taken to ensure that school uniform is affordable for all current and prospective pupils, and that the best value for money is secured through reputable suppliers.

The school will not make frequent changes to uniform requirements and will take the views of parents and pupils into account when considering any changes.

4. Equality principles

The school takes its legal obligation to avoid unlawfully discriminating against any pupil very seriously.

In line with the above, the school will aim to ensure that its uniform policy is as inclusive as possible so that all pupils can access a school uniform which is comfortable, suitable for their needs, and reflects who they are, while avoiding any direct or indirect discrimination on the basis of protected characteristics or socio-economic status.

The school will ensure that parents and pupils are consulted over any changes to school uniform, and that, where appropriate and with pupils' consent, views and advice are sought specifically from pupils, and parents of pupils, who:

- Are transgender or non-binary.
- Are of a religious or cultural background that has specific dress requirements.

- Have SEND and/or sensory needs.

Parents' concerns and requests regarding school uniform and amendments to it are handled on a case-by-case basis by the Head Teacher and Governing Body, and always in accordance with the school's Complaints Procedures Policy.

Information on how the school ensures its uniform policy does not discriminate against pupils with specific protected characteristics is outlined below.

Gender

To avoid disproportionately impacting pupils of a certain gender, the school will ensure that the cost of uniform is as equal in price as possible across items for all genders.

This includes:

- Adhering to the procedures laid out in the '[Cost principles](#)' section of this policy.
- Not directly requiring pupils of a certain gender to buy additional uniform, e.g. by requiring female pupils to buy both trousers and skirts.
- Not indirectly requiring pupils of a certain gender to buy additional uniform, e.g. by offering football in PE to only male pupils and requiring they buy football boots to participate.
- Not holding pupils of different genders to different uniform standards, e.g. by banning certain hairstyles for only one gender.

The school will implement a gender-neutral uniform, meaning that pupils will not be required to wear specific items based on their gender, and may wear any of the uniform items listed in the '[School uniform](#)' section of this policy regardless of the legal sex recorded on the school's records.

Religion and belief

To avoid disproportionately impacting pupils of a certain religion, belief or culture, the school will ensure that there is flexibility to allow pupils to present themselves in a way that adheres to their dress requirements as far as possible, within the school's uniform policy.

The school will endeavour to meet all requests for amendments to the uniform for these purposes; however, the needs and rights of individual pupils will be weighed against any health and safety concerns appropriate to the circumstances, e.g. if safety headgear needs to be worn.

Race

To avoid disproportionately impacting pupils of a certain race, the school will ensure that its uniform policy does not constitute unlawful indirect discrimination through blanket rules. This includes:

- Not banning hairstyles related to a pupil's ethnic origin, e.g. natural Afro hairstyles.
- Not banning hairstyles worn because of cultural, family and social customs, e.g. cornrows.

- Not banning head coverings related to a pupil's culture or ethnic origin, e.g. African heritage head wraps.

The school will follow the good practice guidance provided by the Equality and Human Rights Commission on '[Preventing hair discrimination in schools](#)'.

SEND and medical conditions

To avoid disproportionately impacting pupils with SEND or medical conditions, the school will ensure its uniform policy takes into account the needs of these pupils. This includes:

- Ensuring the school uniform uses soft, stretchy fabrics and avoids intricate buttons or hard seams.
- Allowing variations to the standard uniform for pupils whose medical conditions may impact how they dress, e.g. pupils with casts who require loose-fitting clothing or pupils with hair loss-related conditions who wish to wear head coverings.

Where the needs of these pupils cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and permitted wherever possible.

The school will ensure that it works with a supplier that acts in accordance with the school's values and principles on equality and inclusion.

5. Complaints and challenges

The school will endeavour to resolve all uniform complaints and challenges locally and informally, in accordance with the school's Complaints Procedures Policy.

The school will refer individuals who wish to complain to the Complaints Procedures Policy and request that they follow the procedures outlined therein.

When a complaint is received, the school will work with the complainant to arrive at a mutually acceptable outcome.

The school has an agreed procedure in place with its uniform supplier to deal with complaints about the supply and quality of uniforms.

The school aims to deal with pupil non-compliance in a proportionate and fair way and will always seek to work with parents and carers to understand their unique context.

6. School uniform supplier

The school's current school uniform supplier is:

- **My Embroidery Supplies**
- 41 Craven Road, Broadheath, Altrincham WA14 5HJ
- Tel: 07779 234338

The Governing Body will be able to demonstrate how uniform is procured at the best value for money. The Head Teacher will work to ensure that the items are procured as cheaply as possible without compromising on the quality, e.g. by requesting standard-style items from the supplier rather than more intricate and unique designs.

7. Uniform assistance

Each academic year, pupils receiving pupil premium have £100 to spend annually, this may be on school trips, after school clubs but could also be spent on meeting the costs of uniform. The budget for the school uniform assistance scheme will be derived from pupil premium funds.

For parents to claim school uniform assistance, their children should be eligible for FSM. Eligibility will be determined by checking original documents from the relevant authority, detailing receipt of the benefit and the address of the pupil.

The school will hold second-hand school uniforms for parents to access; access to these uniforms will be made available upon request made to the Head Teacher.

Parents will be invited to donate their child's uniform when they no longer need it.

8. Non-compliance

Parents will be notified of pupils' breaches of school uniform in all cases.

Jewellery

The school rules on jewellery are as follows:

- One pair of stud earrings may be worn – no other piercings are permitted.
- A smart and sensible wrist watch may be worn. This should not be a smart/apple watch.

Pupils will be advised that jewellery is their personal responsibility and not that of the school. Lost or damaged items will not be refunded. All jewellery must be covered during practical lessons, including PE lessons and science experiments.

Children in EYFS and KS1 will require a school book bag which can be purchased from the uniform supplier. Children in KS2 are welcome to bring a small rucksack. There is limited space so large bags cannot be accommodated.

School bags featuring inappropriate images, slogans or phrases will not be permitted.

The school will discourage pupils from bringing valuable bags to school. The school will not be liable for lost or damaged school bags.

Hairstyles and headwear

The school reserves the right to make a judgement on whether a pupil's hairstyle, hair colour or headwear is inappropriate for the school environment; however, the school will ensure that any such judgements do not discriminate against any pupil by virtue of their protected characteristics. Each individual pupil's scenario will be taken into account where any judgements on appropriateness are to be made, and parents will always have the freedom to complain via the school's Complaints Procedures Policy.

Pupils with long hair must ensure that this does not impede their vision, cover their face, or cause a health and safety risk. Long hair must be tied up during practical lessons, e.g. during PE.

The following hairstyles, hair colours and headwear are not considered appropriate for school:

- Brightly-coloured dyed hair
- Headwear with bold patterns or colours
- Excessive hair accessories
- Headwear featuring inappropriate words or images

Makeup and cosmetics

The school rules on makeup and cosmetics are as follows:

- Make up is not permitted
- False nails and nail extensions are not permitted
- Only clear nail varnish may be worn
- Temporary tattoos are not permitted

Parents of pupils wearing excessive makeup will be contacted and asked to ensure that their child does not wear make up to school.

10. Adverse weather

All pupils will be advised to wear weather-appropriate clothing.

For hot temperatures, this includes wearing:

- Caps or sunhats

Pupils will be advised not to wear any jumpers or coats during heatwaves.

For cold temperatures, this includes wearing:

- Scarfs, gloves, coats and hats when outside.
- Warm jumpers.
- Trousers, or skirts and thick tights.

11. Labelling and lost property

Parents will be advised to ensure that all pupils' clothing and footwear is clearly labelled with their name and year group.

Any lost clothing will be taken to the lost property box. All lost property will be retained for one term and will be disposed of if it is not collected within this time.

12. Monitoring and review

This policy will be reviewed every three years by the Chair of Governors and the Head Teacher. The next scheduled review date for this policy is May 2027.

The school will engage with parents and pupils when reviewing this policy.

Any subsequent changes to this policy will be communicated to all staff, pupils, parents and other relevant stakeholders.

13. Environmental Sustainability:

At Altrincham CE Primary, we are committed to nurturing not only our pupils' academic and spiritual growth but also their responsibility towards the environment and our community.

We encourage families to support sustainability by reusing and recycling school uniforms wherever possible. This practice helps reduce waste, conserves resources, and fosters a sense of shared stewardship in line with our core value of Thankfulness.

By participating in uniform exchanges or donating outgrown items, families can contribute to a culture of generosity and care, reflecting our value of Koinonia and promoting dignity through respect for our planet and each other. Together, we can grow strong in faith and character while bearing fruit that benefits both our school community and the wider world.

14. Accessibility of Second-Hand Uniforms:

To support sustainability and affordability, parents and carers are encouraged to access second-hand school uniforms. These are available through the school office or the PTA, who manage uniform exchanges and donations. Please contact either for assistance in obtaining pre-loved items.

15. Compliance with Department for Education Guidance:

School uniform should help to build a sense of identity and community among pupils and with their school. To do this, it must be affordable. Affordability should never be a barrier to the schools for which parents apply or the activities in which children can participate.

Schools should engage with parents and pupils when they are developing their uniform policy. They need to think about the total cost of uniforms, taking into account all the items that parents will need to provide while their child is at the school.

All branded items should be kept to a minimum.

From September 2026:

- **schools should limit the number of compulsory branded items of uniform and PE kit to 3 or fewer**

Please see the grid above for clarity on which 3 items are compulsory branded at ACE.
