

New Phonics and Spelling Rules

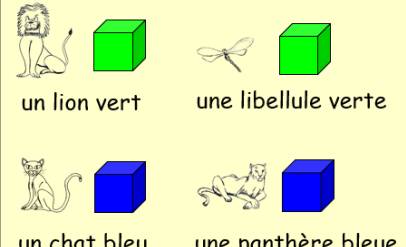

an : grand / France / dimanche / pantalon	These are all nasal sounds. 	é : éléphant / caméléon / araignée	These 3 spelling patterns all make the same sound. 
on : cochon / crayon / pantalon		ez : regardez / marchez	
en : vendredi		er : danser / sauter	

Due to the rule of liaison, we can hear the 'd' in 'grand' and BOTH 't's in 'petit' when they come before a noun that begins with a vowel. Eg un petit âne gris / un grand éléphant rouge.

L' (the) is used in front of nouns starting with a vowel: l'abeille / l'âne / l'éléphant

New Grammar Points

Adjectival position: In a French sentence, most adjectives follow the noun.

New Vocabulary and Phrases

January	February	March	April	May	June
janvier	février	mars	avril	mai	juin
July	August	September	October	November	December
juillet	août	septembre	octobre	novembre	décembre

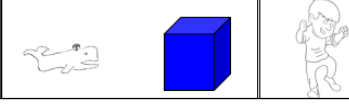

Adjectival agreement: The adjective changes its sound and / or its spelling to 'agree with' a feminine noun.

Some adjectives such as 'grand' and 'petit' come in front of the noun. They also change their sound and spelling when describing a feminine noun.

There are four words for the **definite article** 'the' in French: le, la, l' and les

			
voler to fly	nager to swim	danser to dance	sauter to jump

Une petite baleine bleue danse.
The **infinitive form** of the verb 'danser' – to dance, changes to 'danse' – it dances.
