

Please find a breakdown of how we spent our pupil premium allocation last academic year:

Due to the changes to educational provision caused by the COVID-19 pandemic the detail in our Pupil Premium strategy has been subject to review since April 2020.

During the pandemic the following key steps have been taken to ensure that 'disadvantaged' pupils' barriers to learning will continue to be overcome wherever possible:

- Step 1 - Children attended school
- Step 2 - Ensuring children have the correct tools to complete home learning
- Step 3 - Family support through home visits etc.

2019 -20
<u>Total spend: £26525</u>
<u>Staffing</u> £23, 576
<u>Resources</u> £1638
<u>Trips and Clubs</u> £1311

At ACE, it is our aim to enable every child to achieve their potential and to leave our school having achieved their very best. We recognise that currently pupils entitled to PP funding do not achieve as highly as their peers and therefore in 2019/20, we worked hard to:

- Close the achievement gap between children entitled to PP funding and those who are not;
- Actively promote pupils entitled to PP funding to have full curricular access and participate in extra-curricular activities;
- Ensure the attendance rate of pupils entitled to PP funding to be above 95% or certainly to show evidence of rapid improvement.

These areas continue to remain a priority in 2020/21
