## Fundraising at ACE

**#Care#Collaborate#Grow#Achieve**

On 24<sup>th</sup> June, a team of staff members took part in 'Pretty Muddy'. They had a lot of fun, got very dirty and raised money for Cancer Research. Well done team for taking part and raising over £700 for this worthwhile cause. Please find the Just Giving link below if you would like to donate.

Also on 24<sup>th</sup> June a team of walkers from our PTA completed the challenge that they set themselves and hiked the 3 highest ranges in England. They had to battle the elements with torrential rain from the outset after a 4am start on Scafell Pike, high winds on the summit of Helvellyn, and then finally the sun came out on Skiddaw for the final peak. It was 15 hours of hard slog, with each of them overcoming a moment of pain in the trek.

They would very much appreciate your support if you haven't yet sponsored them. All funds raised will go towards projects in school to benefit all of our children through the PTA. Thank you so much to those who have already donated money, it is currently helping them overcome their pain.

A huge well done and thanks from everybody at school for undertaking this challenge on our behalf.

## Summer Fair

**#Care #Collaborate #Grow #Achieve**

On Saturday 8<sup>th</sup> July, we had our annual Summer Fair. Having looked at the poor weather forecast, our wonderful PTA decided to play it safe and set up the stalls inside. No way was the weather going to dampen our spirits!

The fair was well attended and everybody had a good time playing games, having something to eat and drink, taking part in the raffle and trying to win a prize on the tombola. In addition, it was a lovely way for the school community to come together and enjoy a weekend event.

I want to take this opportunity to thank the PTA for all their hard work and preparation which went into hosting this great event. Thank you to everyone who came along to support us and to those who donated prizes for the tombola.

I will let the PTA announce how much they raised and we look forward to using the funds to relocating and refurbishing our school library.
