### Mr Al-Jilani Year 4

I have been teaching now for more than 10 years and have spent most of that time teaching classes in KS2. I have taught at schools across Bolton, Salford and Manchester. I absolutely love working at ACE as a class teacher and subject coordinator in computing. The children are amazing and everyone is so supportive and lovely! I am incredibly grateful to work with such dedicated, hardworking and talented people every day.

I live in Bolton with my wife and our baby son, who is now eight months of age. I am a massive football fan and support Bolton Wanderers. They may not be the best team in the world, but I still love them! In my spare time I enjoy running at the weekends, reading and playing the guitar (although, admittedly, I'm not very good!).

## KS 2 SATs

**#Care #Collaborate #Grow #Achieve**

A huge well done to our Year 6 pupils who have been taking their SATs all this week.

Over the course of the week, the children have had tests in Spelling, Grammar and Punctuation, English Reading, Arithmetic and Mathematical Reasoning. These have been invigilated by school governors and independent people, to conform with the strict administration procedures.

Our wonderful children have risen to the challenge with resilience and maturity and we are all super proud of them.

And now all that is behind them and they can look forward to the last few weeks in primary school, being with their friends and making memories.

Well done Year 6! #thisisyourtime
