## Easter at Altrincham CE

**#Care #Collaborate #Grow #Achieve**

The children have enjoyed their last week in school and have been thinking about the Easter Story. Our thanks to Claire who has delivered 2 wonderful Easter services and who has made us feel so welcome at St George's. Claire has brought the Easter story to life and this has made it so meaningful for our pupils and staff.

We have also had a lot of Easter fun too! On Thursday we managed to dodge the showers and the children took part in our annual Easter Bonnet Parade. This has become one of the highlights on our calendar and we enjoy hosting the event with the Friends of John Leigh Park. Thank you to everybody for all their bonnet making skills and for donations to Marie Curie. The children looked amazing and John Leigh Park was ablaze with spring colours, chicks and mini eggs!

Finally, the children have enjoyed their annual Easter Egg Hunt, solving the clues on their sheets and winning a small prize. I do hope this makes its way home and isn't devoured before you get a chance to see what it is!

Wishing everybody a peaceful Easter time.

## Celebration Assembly

Each child was chosen for showing one, or more, of our school values

	Stars of the Week	
FI	The Whole Class	
W	Hattie P	Rory S
O	Yin K	Caleb O
S	Emran S	The Whole Class
D	The Whole Class	
F	Lucas H	The Whole Class
N	The Whole Class	
K	Luca W	Mykola A
E	Lucie A	Lily C

#Grow #Achieve

Head Teacher Award: **Amelia-Rose H**

Class of the Week: **Fledglings**

## Art Week

**#Care #Collaborate #Grow #Achieve**

Because we didn't think the last week was busy enough (!), we decided to hold our second Art Week of the year. The focus has been on textile art and so school has been a hive of dip dyeing, fabric, batik, glue and colour.

The children are quite rightly exceptionally proud of what they have been able to achieve. The teachers will be displaying the children's finished work after half term, after which parents will be invited to come in and see the finished outcomes.
