Ofsted Visit

#Care #Collaborate #Grow #Achieve

On Monday, we received a phone call from an Ofsted Inspection Team. 2 inspectors were in school on Tuesday and Wednesday, although the inspection actually began on Monday with a 90 minute phone conversation between the Lead Inspector and the Senior Leadership Team. This enables the Inspection Team to understand the unique context of the school they are visiting.

We are very much looking forward to sharing the Inspection Report with you as soon as we can. Unfortunately until then I am unable to share any of the judgements. The Lead Inspector tells me they are taking around 6 weeks to be published at the moment.

The governors, staff and I would like to thank everybody for their support and kind words over the two days. This meant such a lot to us all.

Head Teacher Award: **EVERYBODY AT ACE** - pupils, staff, parents and governors!

Year 5 Maths Challenge

We are super proud of our Year 5 Maths team who attended a Maths Challenge at Wellington High School.

2 teams took part from Altrincham CE. The children had to answer maths questions across a range of maths topics. The competition even involved maths races! The children really enjoyed taking part and also met past pupils of ACE.

Well done Year 5's, you have made us really proud!
