Friendship Festival

#Care #Collaborate #Grow #Achieve

This week some of our year 3 children took part in a Friendship Festival at BTH secondary school. This included a variety of team building activities that allowed the children to practice communication, collaboration and enjoy some time with their friends. The children worked extremely hard to demonstrate all of the appropriate skills you need to be a good friend as well as our school values.

Remembrance 2022

#Care #Collaborate #Grow

Our thanks to Aled and Claire for leading our thought provoking Remembrance services this week.

Year 5 and 6 walked to the cenotaph for their service and this allowed them to reflect deeply and develop understanding and empathy about war, sacrifice and service.

Our younger children have developed a good understanding of the poppy symbol and prayed for all the people in the world who are still experiencing the horror of conflict and war in the world today.
