Down on the Farm

#Care #Collaborate #Grow #Achieve

EYFS and Key Stage 1 had a wonderful morning visiting Kenyon Hall Farm.

The children embarked on their journey to Warrington and the weather was fine – a warm, crisp autumn day.

On the farm, the children visited the pumpkin patch. This enhanced and enriched the Key Stage 1 children’s learning in science as they had been finding out about growing.

Upon their return to school, the EYFS children learned how to make pumpkin soup and some of the more adventurous children even tasted it!

Everybody thoroughly enjoyed their first hand learning experiences and made lovely memories of their time down on the farm.

Harvest Festival

#Care #Collaborate #Grow #Achieve

Our thanks to Claire and Aled for hosting our wonderful Harvest Festivals at St George’s church.

On Thursday it was the turn of EYFS and they were joined by the staff and children from Happy Kids Playgroup. This was a wonderful experience and we looking forward to working closely with them in the future.

On Friday afternoon, KS1 and KS2 ended the half term by giving thanks for the food we eat and prayed for people around the world who are facing difficulty and hardship. Having this opportunity to worship together was a special way of rounding off the end of our first half term in school.
