Meet The Teacher

[#Care](#) [#Collaborate](#) [#Grow](#) [#Achieve](#)

The staff have conveyed how much they enjoyed meeting the parents and carers of the children in their class. This has enabled everyone: staff, parents and pupils to build those important relationships and get off to the best possible start.

During the meeting, parents got the opportunity to find out about their child's timetable, curriculum and homework amongst lots of other things. Staff are adding this information to their class page on the school website.

They also had an opportunity to ask any questions they may have had. I know as a parent myself, there is always such a lot to get your head around at the beginning of a new school year

This year, staff will be communicating with parents and carers through the Seesaw App. So please ensure that you are signed up so that you can receive all the class news and communications.

Please contact the school office if you are having any difficulty accessing Seesaw and a member of staff will be happy to support you.

Celebration Assembly

Each child was chosen for showing one, or more, of our school values

Class of the Week: **Swallows and Doves**

Head Teacher Award: **Yin K**

Teddy Bears' Picnic

[#Care](#) [#Collaborate](#) [#Grow](#) [#Achieve](#)

On Saturday, the PTA held their annual Teddy Bears' Picnic in our wonderful Forest School.

We all ventured into the woods on a lovely, sunny Autumnal morning for treasure hunting, bush crafts and den making.

And it turns out that the bears weren't scary at all, but they did have their Altrincham CE jumper on! They looked very smart indeed!

Everybody had a wonderful time and hopefully later on, we had some tired teddy bears and their owners. My thanks to the staff who helped to make the event so special and to our wonderful PTA for helping to organise the event.
