## MIN Y DON Y6 RESIDENTIAL TRIP

Our Year 6 pupils and their teachers got off to a flying start at the beginning of the year with a residential trip to Min Y Don. Min Y Don is a Christian adventure Centre in Wales.

This year we have moved the visit from when we used to have it in the Summer Term. We felt that moving the residential trip to the Autumn Term meant the children got to build strong relationships with each other and their staff from the very beginning. Of the year.

It was a roaring success and the children learned lots of new skills and discovered new things about themselves as they participated in a number of outdoor and adventurous activities. These included 'high ropes', cycling and canoeing.

Everyone returned tired but extremely happy and with a real sense of camaraderie.

Well done Year 6 and my thanks to the staff who accompanied them.

## Reverend Claire Corley

#Care #Collaborate #Grow #Achieve

We extend the warmest of welcomes to Claire who is our new vicar at St George's.

Some of you may already have met Claire as she has been on the playground each morning getting to know our families. Please do feel free to introduce yourselves and get to know her.

Claire is working closely with Aled, our vicar from St Margaret's. They have lots of wonderful ideas for worship activities and prayer spaces around school.
