

ACE Worship WB 15th May

This is where you will find information about our weekly Christian worship.

This week we are learning about Relationships and completing our value of the half term: Truthfulness

The following are ideas for activities and reflection.

Telling the Truth

Sometimes keeping quiet and not saying what should be said can cause as much trouble as lying!

In the Bible, St Paul writes to his friends in Ephesus and tells them to,

“Speak the truth in a spirit of love.” Ephesians 4:15

Are you an open or closed book?

When we know someone is telling the truth, and never say one thing to our face and something different to someone else, that person is like an open book.

Easy to read.

When someone tells us one thing to our face and another behind our back, that person is like a closed book...hard to read. The Bible tells us to love truth, and to tell the truth with an attitude of love even when it's hard.

Open and Honest

Open And Closed Books Prayer

Dear Father,
We are sorry for the times when we have not been truthful to others
And have said one thing to them and another to someone else.
Now open your hands like an open book.
Help us to be like an open book, so that others know we mean what we say.
Help us to say difficult things in a loving way. Amen

Can you improvise situations with a friend or family member when someone says one thing to a person's face and another behind their backs?

Emphasise the importance of openness and honesty in relationships and distrust that can arise from dishonesty and gossip.
