

ACE Worship WB 24th April

This is where you will find information about our weekly Christian worship.

This week we are learning about Relationships and completing our value of the half term: Truthfulness

The following are ideas for activities and reflection.

Relationships

This half term we are going to be learning about different relationships.

Just think for a moment about the relationships you had this morning, before you got to school...

Some children in the world are not as fortunate as we are.

Where would we be without relationships?

- Where would we be without our brothers and sisters? They are always there when we awake. They love us even if we fight with them.
- Where would we be without our friends? They play games with us. They make us laugh and feel happy.

Jacob and Esau

Read or listen to the story of Jacob and Esau.

What do you think about the way each of the main characters in the story behaved?

Have you ever been tempted to tell a lie to get something you want? How did it make you feel inside?

Honesty Prayer

God of truth,

We thank you for the peace we feel when we are truthful, and the way you trouble us inside when we tell lies.

Give us the courage to be honest, whatever the cost.

Amen

Honesty is the best policy

Call My Bluff

At home, play a simple version of 'Call my Bluff'.

Write down a definition of a difficult word from a regular dictionary, which you hope no one will know. One definition should be true, and the other true possible and maybe funny!
