Posadas

The word posada means inn or lodging, and is a re-enactment of Mary and Joseph's search for a lodging in Bethlehem, performed just before Christmas.

Each class has a set of beautifully hand painted figures, created by our very own Miss Stevens. The idea is that the children bring the figures home for the evening and provide shelter for them.

We are aiming for the Holy Family to visit as many homes before Christmas as possible so please ensure that all the figures are returned the next day.

We are so proud of our close links with both our churches and are thankful to St George's for involving us to take part in this wonderful project.

A huge thanks to our wonderful PTA and St George's parishioners for our wonderful Christmas Fair, last Saturday. The Church looked amazing and there was a wonderful sense of community. Thank you also to everyone who attended and supported this event.
