Black History Workshops

The children have been enjoying their sessions with Benni.

In KS1, Benni came in to talk to the children about famous black people.

Then she taught the children about people who had helped black people in the past such as Rosa Parks.

The children took part in some powerful roleplay about what they would say if someone asked them to move on the bus.

I am so proud of our children as courageous advocates and their strong sense of right and wrong.

Stars of the week!

Fledgings	Harry R	William G-O
Woodpeckers	Ted S	Ellen
