SUMMER

This Week's Highlights...

New Vision and Values

This week the children have been busy learning all about our new mission statement, vision and values with a special focus on the Parable of the Sower.

The children have had opportunities to retell the story and think about the symbolism of the seed and the soil in the story.

At the end of the week, the children enjoyed learning new songs for our collective worship sessions. This was with a company called I-Sing Pop who taught us some catchy songs with actions that will become firm favourites with everyone at Altrincham CE.

All children also worked with Des (aka The Willow Goat Man) and together, through his willow weaving workshops, we produced a beautiful cross for our entrance hall.
