INTERNET SAFETY WEEK 2024

Just before we broke up for half term, our ACE Online Safety Ambassadors, Raphael, Princess, Lucas and Evie, spent time with children in years 3,4,5 and 6. Together, the children discussed what we do online and shared their thoughts on present technology and how it may evolve. They also discussed how we can enjoy using the internet, and all of the wonderful things it has to offer, while staying safe.

I am extremely proud of the leadership skills our children are demonstrating,
