Grow Strong and Bear Fruit

This Week's Idea!

This Half Term's Bible Verse:

We are part of a school and church community or family.

"Be like-minded, be sympathetic, love one another, be compassionate and humble."

1 Peter 3:8-12

Let's Ponder...

Our School History and Community

We have thought about how our school began... And the people who were involved. These people are called 'The Founders'. It is because of them that we have a school community and a sense of fellowship or 'koinonia' today. Let's thank God for our founders and for their vision, generosity and kindness that helped our school to begin and then thrive and grow into the amazing school it is today.

This Week's Prayer...

Dear Father God,
Thank you for our school community and everyone in it, past and present.
Today we want to thank you particularly for the lives of Lord Stamford and Reverend George London.
Thank you for their vision of establishing a Christian community and school here in Altrincham.
Help us to follow their example. Help us to love Jesus, to share generously with each other and to work together for the good of all this week and half term.
In Jesus name,

AMEN!

Did you know that there has been a school associated with St George's since 1783?

VALUES IN PRACTICE

AT HOME

Things you can do at home this week:

From The Heart: Heart Maps

On a large piece of paper, draw a large heart shape. Sit for a moment and think of all the things, people and activities you love and what makes you happy. Illustrate these things in different sections of your heart to build a picture of all that you love and all that is important in your life. Once you have completed your heart map sit quietly and give thanks for everything you have drawn or written.
