This Week's Idea!

This Half Term's Bible Verse:

How to keep ourselves safe online when not everybody is kind.

"Be like-minded, be sympathetic, love one another, be compassionate and humble."

1 Peter 3:8-12

Let's Ponder...

How can we keep ourselves safe in a world where not everyone is kind?
The internet is great for learning and connecting but...
Not everyone is kind and some of the things they say are TOO GOOD TO BE TRUE.
It is easy to be scammed or tricked on the internet.
We have talked about ways to keep ourselves safe and we must tell a trusted adult if something makes us feel sad, worried or frightened.
We can use the internet wisely and kindly.

This Week's Prayer...

Dear God,
Thank you for the internet that helps us learn and connect. Please guide us to use it safely. Help us to be kind online and to speak up if something makes us feel uncomfortable. Let us share good things and remember to think before we click. Keep us safe and help us to trust our teachers and parents when we need help.

AMEN!
