Grow Strong and Bear Fruit

This Week's Idea!

This Half Term's Bible Verse:

FAIR TRADE

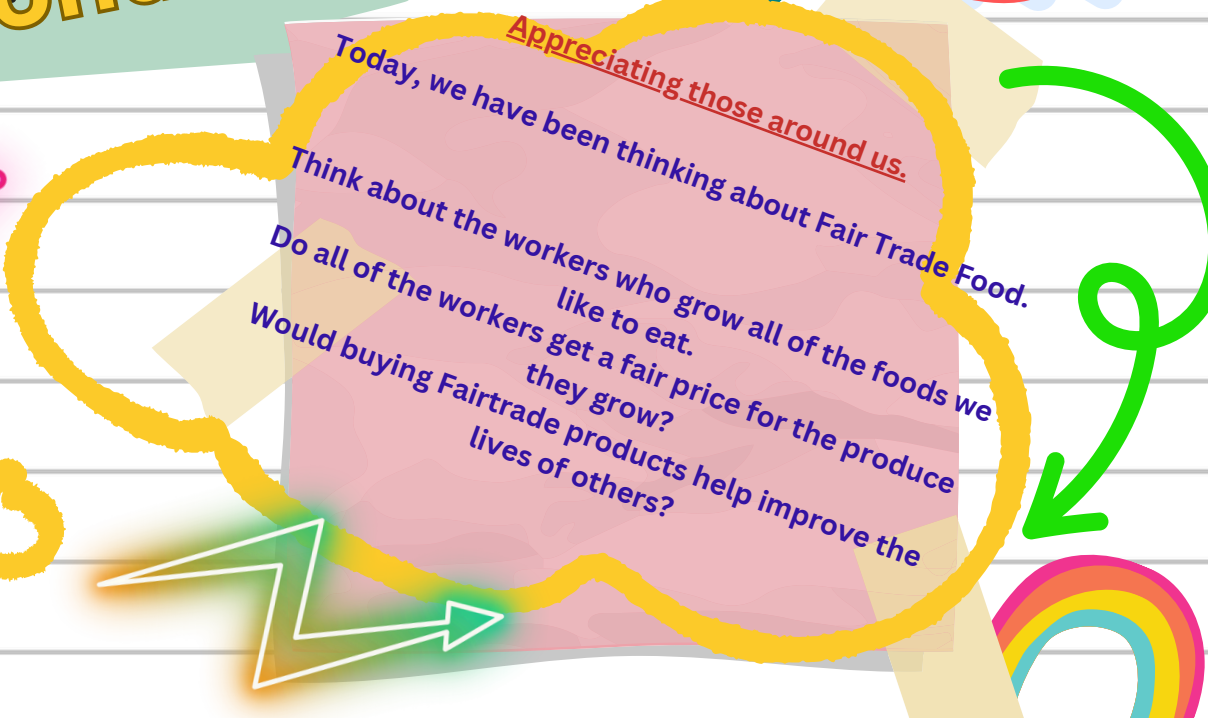

Is the food we buy, 'fair' to everyone?

1 Peter 4-10

Let's Ponder...

Appreciating those around us.
Today, we have been thinking about Fair Trade Food. Think about the workers who grow all of the foods we like to eat. Do all of the workers get a fair price for the produce they grow? Would buying Fairtrade products help improve the lives of others?

This Week's Prayer...

Dear God,
Thank You for the food we eat,
And for all the good things we have.
Help us to remember the farmers and workers
Who grow and make these things for us.
May they be treated with kindness,
Paid fairly for their work,
And given the chance to live with dignity.
Teach us to make good choices,
To care for others as You care for us,
And to share Your love through fairness and justice.

AMEN!

VALUES IN PRACTICE

Things you can do at home this week:

AT HOME

Fair Trade at Home

Next time you are in a supermarket look out for produce which display the Fair Trade symbol like chocolate or bananas. Tell your family and friends about why you think Fair Trade is important. In doing this, you are demonstrating courageous advocacy!
If you already buy fair trade products at home, you could make a collage from the labels and the fair trade logos. I'd love to see any work you have done.
