This Week's Idea!

This Half Term's Bible Verse:

The Story of Creation - What does this story tell us about God?

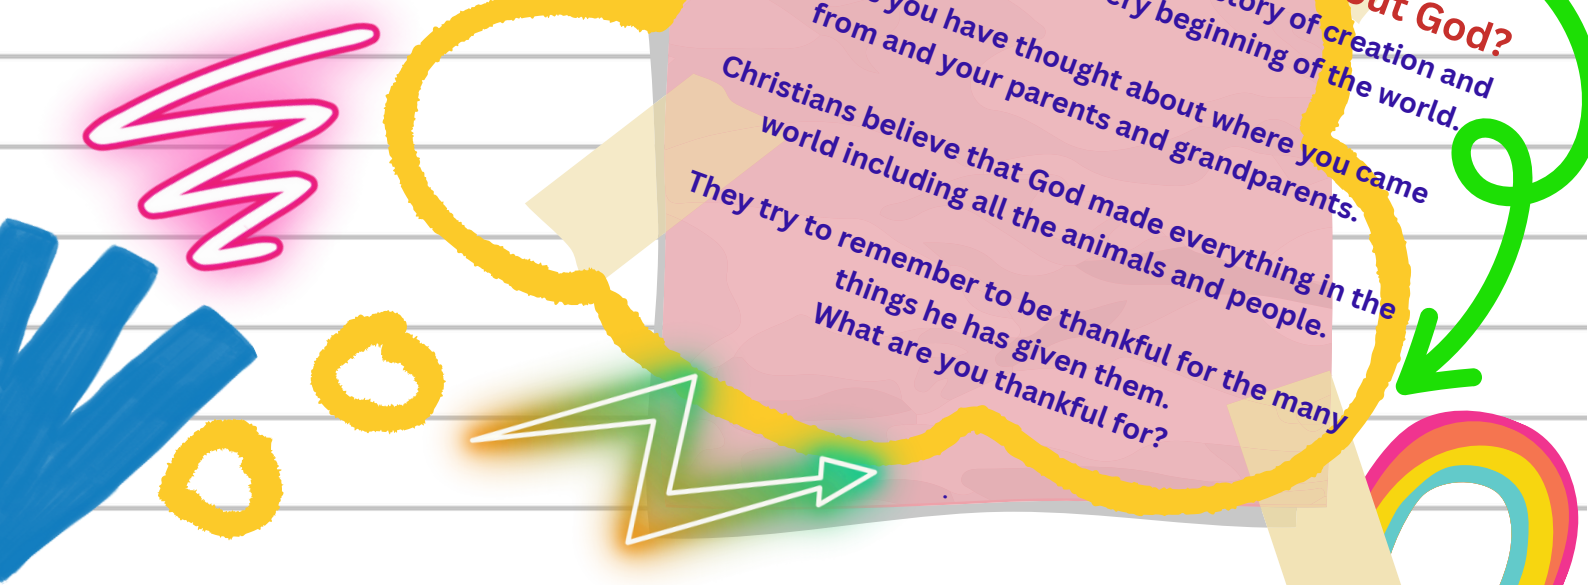

Joshua 1:9

Let's Ponder...

What does the story tell us about God?
Today we have heard about the story of creation and what happened at the very beginning of the world.

Perhaps you have thought about where you came from and your parents and grandparents. Christians believe that God made everything in the world including all the animals and people.

They try to remember to be thankful for the many things he has given them.
What are you thankful for?

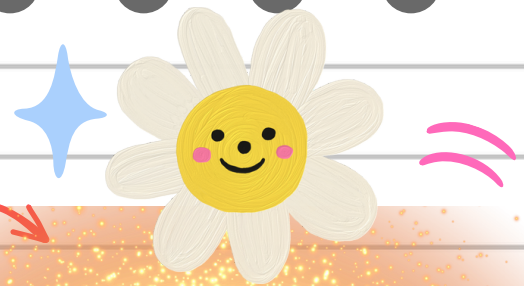

This Week's Prayer...

Dear God,
thank you for making the world so beautiful. Thank you for the sun, the sky, the trees, and the animals. Thank you for all the food we eat and the fun we have. Help us to take care of your creation.

AMEN!

Things you can do at home this week:

Prayer Painting

This week is an opportunity to develop personal prayer through painting and creativity. Cover a large space with paper, paint whatever you enjoy, and you want to give thanks for. You might also want to paint words or values that are important to you and that you could talk to God about whilst painting.
