This Week's Idea!

This Half Term's Bible Verse:

God's Big Story
'People of God' -
How can we use
our imagination
to solve
problems?

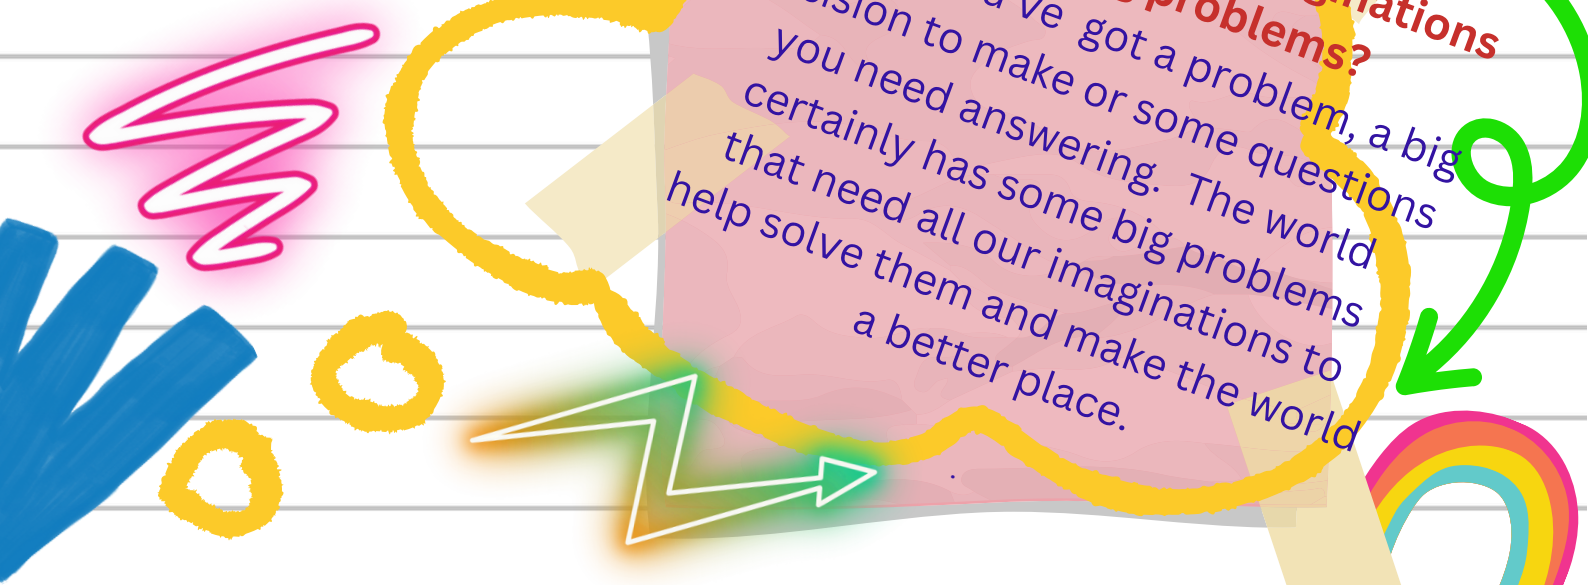

Joshua 1:9

Let's Ponder...

How can we use our imaginations to solve big problems?

Perhaps you've got a problem, a big decision to make or some questions you need answering. The world certainly has some big problems that need all our imaginations to help solve them and make the world a better place.

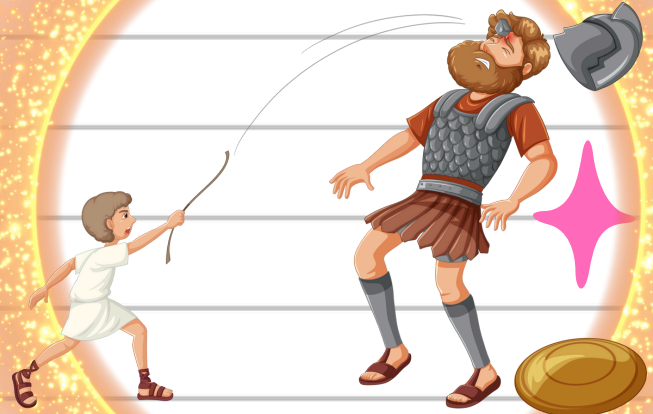

This Week's Prayer...

Father God,
Help us to use our imaginations to solve the big problems and make the world a better place.
We ask this in Jesus's name.

AMEN!

Read the story of 'David and Goliath'.

AT HOME

Things you can do at home this week:

Going Through the Door

Take a minute to think about the problems, difficulties and challenges present in the world. Take some time to use your imagination and think about the impact you could have in order to solve some of these problems.
