This Week's Idea!

This Half Term's Bible Verse:

God's Big Story 'Gospels' -What should we be shouting out about so that the world can be a better place?

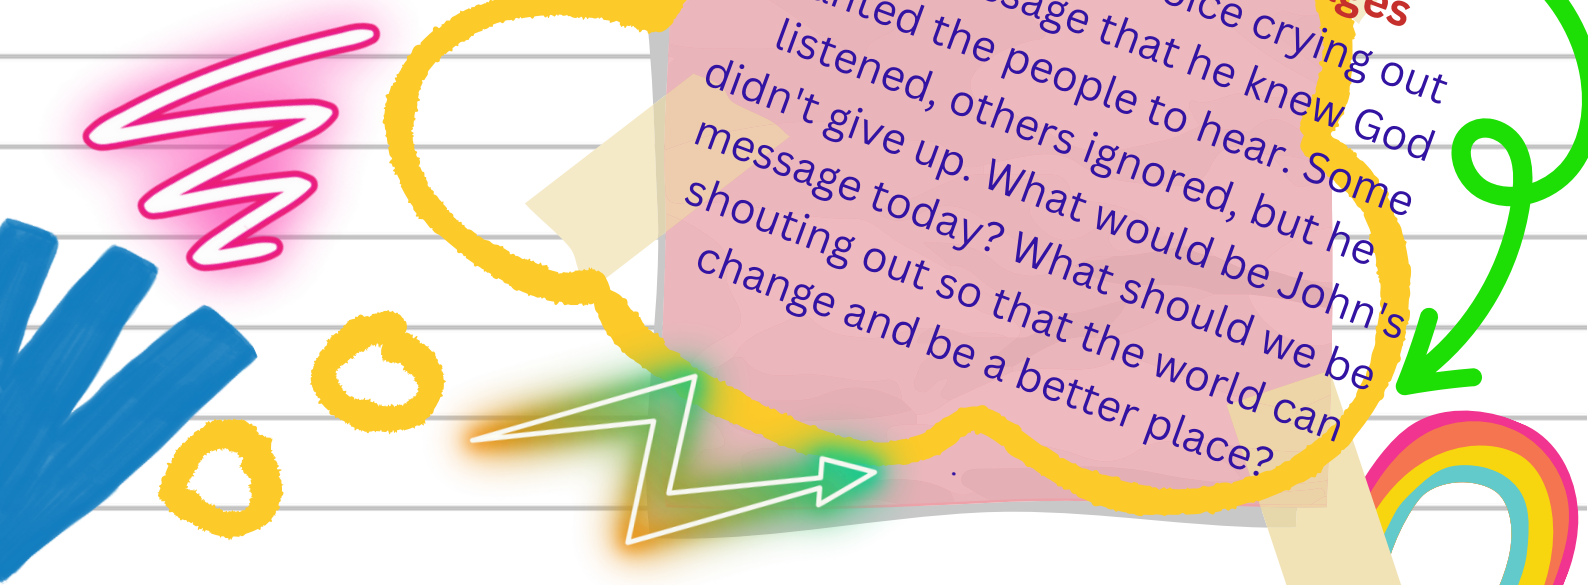

Joshua 1:9

## Let's Ponder...

### The Important Messages

John was a lone voice crying out with a message that he knew God wanted the people to hear. Some listened, others ignored, but he didn't give up. What would be John's message today? What should we be shouting out so that the world can change and be a better place?

# This Week's Prayer...

Dear God,  
Thank you for this beautiful world you have created. We are grateful for our friends, families, and the many blessings we enjoy each day. Help us to remember that our voices are important. Teach us to speak up for what is right and to share our thoughts about things that need to change. Give us the courage to stand up for those who may not have a voice and to show kindness to everyone around us. Help us to listen to each other and to understand different ideas and feelings. May we always strive to make the world a better place, filled with love, respect, and understanding. Thank you for guiding us in our journey to be caring and thoughtful individuals.

AMEN!

## VALUES IN PRACTICE

### AT HOME

Things you can do at home this week:

#### Praying for Change

This week allow yourself some quiet, thoughtful time. If we pray about the things we want to change, God will help us and give us courage; just like John to keep sending out the messages for positive change.

BE THE CHANGE
