We would like to inform you that the way you book your child onto our after-school clubs with Sam Sheridan (Extra Time) has changed.

From now on, all bookings with Sam must be made using the new online booking system. To book a place, please click on the link below, choose the club you would like your child to attend, and complete the payment online.

<https://extratimeld.classforkids.io>

Please note that all parents must use this system to secure a place. Sam will no longer be accepting bookings through any other method.

Places will be allocated through the online system, so we encourage you to book early to avoid disappointment.

If you experience any difficulties using the booking system, please email Sam at extratimeld@outlook.com and he will be happy to help.

Thank you for your cooperation.
